Mr. Michael J. Freed, President
Rockland Vending Corporation
1 Sanford Avenue
Chester, NY 10918

Dear Mr. Freed:

Our contract was officially over August 24, 2006. Because we have had several issues with getting paid on time, we were not certain that we wanted to renew. After several attempts to collect payment of commissions and space fees and plenty of opportunity, it has been decided that we are not going to renew. We cannot operate any longer under these circumstances. As a result, we must request that you remove all machines and equipment by close of business May 11, 2007.

Thank you.

Sincerely,

Mark Matthews
Deputy Superintendent for Administration
